School Report

NMFA 1st Day of School Start Time

9/10/20

NMFA Families,

In response to parent feedback on start times, on Monday 9/14, we will begin instruction at 9:30 AM for all groups, both in-person and remote.

We hope this makes it less complicated for families.

Distance learners will learn more about slight schedule changes from their teachers.

Again, new times for distance learners will begin Monday.

Thank you,

North Metro Flex Academy
